A STORY TO BE WRITTEN...

force,
finesse,
persistence.

Strong stainless steel and fine wood come together, turning contrasts into a dream team.

Wood is the material we've been working with for over a century, perfecting its sourcing and processing along the way.

Stainless steel is selected for its exceptional hygienic and durable properties.

Our kitchens are built to be part of your home for years to come, crafted with materials chosen for their resilience and enduring beauty.

our alphabet.

A

sustainable

OUR STAINLESS STEEL IS MANUFACTURED IN ITALY. THE SOLID WOOD, PRIMARILY HORNBEAM, IS SOURCED FROM CROATIAN FORESTS, WHERE SUSTAINABLE FORESTRY PRACTICES ARE IN PLACE. OUR MATERIALS STAND OUT FOR THEIR LONGEVITY AND RESPONSIBLE PRODUCTION. BUILT TO LAST.

B

made in italy

OUR KITCHENS ARE HANDCRAFTED AND FULLY MADE IN ITALY. THIS ALLOWS US TO ENSURE THAT MATERIALS ARE SELECTED AND PROCESSED WITH THE HIGHEST LEVEL OF CARE AND ATTENTION. EVERY DETAIL IS EXECUTED WITH THE HIGHEST STANDARD OF CRAFTSMANSHIP.

C

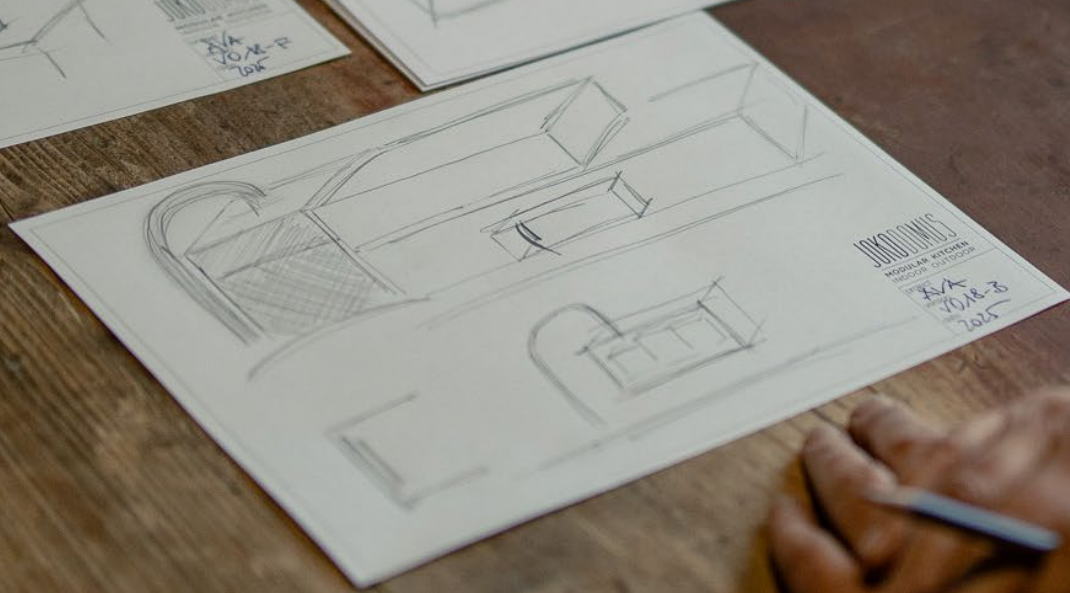

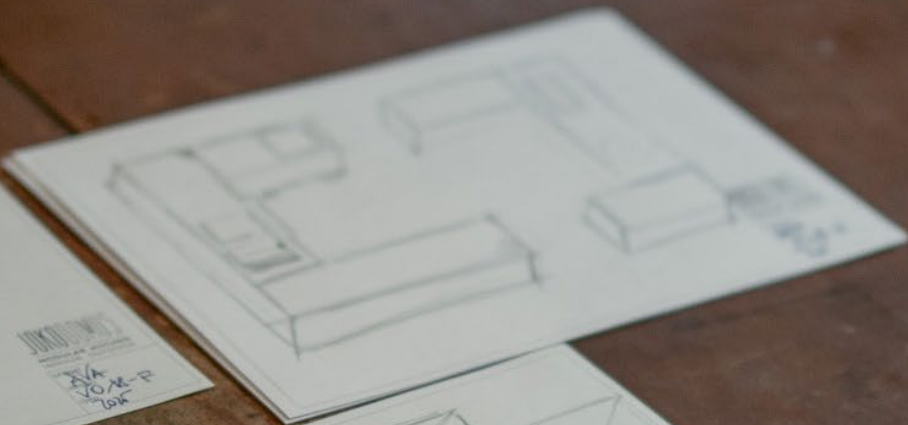

at home everywhere

OUR KITCHENS ARE WORLD TRAVELERS. THEY ADAPT TO YOUR NEEDS, WHETHER INDOORS, IN OUTDOOR SPACES, OR AMIDST NATURE. YOUR JOKODOMUS FOLLOWS YOU WHEREVER YOU GO, BRINGING A SENSE OF HOME NO MATTER WHERE YOU ARE.

D

modular

THE MODULES OF A JOKODOMUS CAN BE COMBINED IN VARIOUS WAYS, ALLOWING YOU TO CREATE YOUR PERSONAL DREAM KITCHEN. MODULES ARE A PRACTICAL SOLUTION FOR FLEXIBLE KITCHEN LAYOUTS – WHETHER ARRANGED IN A LINE OR A BLOCK, PLACED CLOSE TOGETHER, OR SPACED APART. EQUIPPED WITH WHEELS, THE MODULES CAN BE EASILY MOVED WHENEVER NEEDED. THE CONNECTIONS ARE ALSO DESIGNED WITH MODULARITY IN MIND.

why are we
so good at this?

Under the direction of Josi Kosta,
we manufacture mobile kitchen modules,
equipped with state-of-the-art appliances
that can be combined and arranged in any way.

And the best part... these kitchens are perfect
for both outdoor and indoor spaces.

because
we care.

“I’m not a professional chef, but I have a passion for preparing food. My kitchens reflect this love for beauty and practicality. I wanted to create a kitchen that’s not only made from the highest quality materials and expertly crafted but also easy to install and accessible for everyone.”

JOSI KOSTA

looking back 102 years.

1922

JOSEF KOSTA BEGINS HIS WORK AS A MASTER CARPENTER IN SALURN, WHERE HE PRODUCES WOODEN WHEELS FOR WAGONS IN HIS WORKSHOP.

HIS SON OSKAR, WHO IS EQUALLY PASSIONATE ABOUT WOODWORKING, SPECIALIZES IN CRAFTING BUTCHER BLOCKS TO MEET THE GROWING DEMAND FROM LOCAL MEAT SHOPS.

1962

JOSEF AND OSKAR KOSTA FOUND THE COMPANY JOKO, NAMED AFTER THE INITIALS OF THE TWO FOUNDERS.

THEIR AIM WAS TO PRODUCE HIGH-QUALITY PRODUCTS FROM LOCAL WOOD, WHICH ALLOWED THE COMPANY TO ESTABLISH ITSELF BOTH IN ITALY AND ABROAD.

THE PRODUCT RANGE INCLUDED BUTCHER BLOCKS, FURNITURE, AND HOME ACCESSORIES.

2003

IN THE THIRD GENERATION OF THE BUSINESS, JOSI KOSTA EMBRACES NEW CHALLENGES.

WITH A CLEAR FOCUS ON INNOVATION AND A PASSION FOR THE ART OF FOOD PREPARATION, THE JOKODOMUS BRAND IS BORN, DEDICATED TO OFFERING PREMIUM KITCHEN MODULES.

**From tradition to
innovation, we build on a
century of craftsmanship,
designing kitchens that
turn moments into
memories.**
