

Declaration of Conformity for CE

Product Description:

Lithium ion storage and charging cabinets and Lockers

Product Identification per type:

LOXK1100, LOXK1100VDMA, LOXK2000, LOXK2000VDMA , LOX12

Compliance with applicable EU Directives and Standards:

We, the undersigned, hereby declare that the products identified above manufactured by Loxxer comply with the essential requirements of the following European Union directives:

- Electromagnetic Compatibility (EMC) Directive 2014/30/EU: The products comply with the electromagnetic compatibility requirements ensuring that they do not cause or are not affected by electromagnetic interference. (EN61000-6-3:2007+A1:2011, EN61000-6-1:2007)
- Low Voltage Directive 2014/35/EU: The electrical safety of the products is in accordance with the requirements of this directive. (EN IEC 62477-1:2023)
- RoHS Directive 2011/65/EU: The products do not contain any restricted substances exceeding the maximum concentration values set out in this directive.

Based on our own internal analysis, vendor supplied analysis, and/or material certifications of the raw materials used in the manufacturing process of Loxxer products, we declare that all products currently comply with and conform to CE regulations.

Other harmonized Standards Applied:

EN15276-1:2019; EN15276-2:2019; EN13501-1:2018; EN13501-2:2023; EN12094-1:2003; EN54-7:2018

Place and date of issue: Belgium, Roeselare, 05/10/2025

Company name and address: LOXXER BV, Rumbeeksegravier 166/D, 8800 Roeselare, Belgium

Name and function: Renée Pillen – Founder

Signature:

A handwritten signature in blue ink, consisting of several overlapping loops and a vertical line extending downwards.
