Information

The TiSSA conference will be held in Ghent, Belgium. The Pre Conference will be held from December 17- 19, 2021, followed by the Plenum Conference, from December 20 - 22, 2021.

The Pre Conference provides a unique opportunity for doctoral candidates who conduct research in the overall field of social work. It offers a valuable and exceptional occasion to engage in comprehensive networking with colleagues from other European and non-European countries as a board of professors will form a panel to provide guidance. This Pre Conference is only accessible for doctoral candidates and open for broad topics concerning social work that are not directly linked to the central topic of the conference.

The Plenum Conference provides a unique opportunity for academics and non- academics who conduct research in the overall field of social work to present their results reflecting practical experiences, empirical research, theoretical concerns and/or examples of resistance, conflict and alternates.
