LEAD TIME: QUICK SHIP OR 3 WEEKS

- In order to give you a clear and transparent lead time, Umbrosa works with a simple indication of the departure date for each product and/or model. You will find a summary table with every collection. In that way you always know when goods will be available!
- The popular models are available as 'QS' or 'Quick Ship.' This means that the items will leave the Umbrosa warehouses within a maximum of 3 working days.
- The non-Quick ships are available within a maximum departure time of '3' weeks, meaning that these items will leave the Umbrosa warehouses within a period up to 3 weeks.
- The Quick Ship colours are available in usual quantities. Please get in touch with Umbrosa for more information.
