Het is raadzaam om steeds een staal aan te vragen voor de definitieve beoordeling en keuze van de kleuren. Klachten ivm kleurafwijkingen met deze digitale kleurenkaart worden niet aanvaard.

ATTENTION !

Les teintes numériques affichées dans ce nuancier ont pour but de vous donner une idée des tons disponibles dans notre gamme de crépis et de peintures. Ces teintes peuvent diverger des tons originaux en raison d'une différence de résolution de votre écran et/ou imprimante. Nous vous conseillons de toujours demander un échantillon pour évaluer et sélectionner définitivement la teinte de votre choix. Aucune plainte liée à un écart de nuance par rapport à ce nuancier numérique ne sera acceptée.
